**10-223. UNWHOLESOME FOOD.** It is a class B misdemeanor for any person to sell or offer for sale any unwholesome food or beverage which has been condemned by any government food inspector.

**10-224. VACATING PREMISES.**

- A. It shall be unlawful for any person, upon vacating or moving from any dwelling, storeroom, or other building, to fail to remove all garbage, rubbish, or ashes from such building or premise and the grounds appurtenant thereto, or to fail to place the same in a thoroughly sanitary condition within 24 hours after the premises are vacated.
- B. In situations where rental property is so vacated, the owner of the property shall be concurrently responsible with the tenant thereof for compliance with this section.

**10-225. DISCHARGE OF SEWAGE POLLUTION.**

- A. It shall be unlawful for any person to discharge or permit the discharge of any sewage or filth from any premises into and upon any public highway, stream, water course, or public place, or into any drain, cesspool, or private wastewater disposal system which does not conform to standards established by the state division of health or by this municipality.
- B. The health director may order a connection for sewage disposal to be made with the public sewer system provided by the municipality if such is available, provided that the public sewer system is within 300 feet of the premises.
- C. The health director shall use all due measures to prevent the fouling of any streams, water courses, reservoirs, or any source furnishing water to any of the inhabitants of this municipality.

**10-226. INADEQUATE PLUMBING.** The health director shall have power to require the prompt repair of all leaks or other defects in plumbing throughout the municipality. He shall have power to condemn and abate all plumbing which is deficient under the plumbing ordinances. When, in the opinion of the health officer, a change in occupants, type of business or other cause requires changes in plumbing, he shall have the power to compel the installation of an increased number of plumbing fixtures and a change in their type or capacity, and to make such other alterations or increases as may be necessary for the health and safety of the occupants of the building and of the public generally.
