

10-243. EXISTING OFFENSIVE BUSINESS AND FACILITIES.

- A. The governing body may require an investigation of any existing offensive business or facility to determine whether or not it should be permitted to remain in existence in or within one mile of the municipal limits. If the governing body determines that the continuation of the business or facility has become a nuisance to persons situated within the municipal limits or that ample control is not being exercised to minimize the creation of excessive odors, fumes, smoke, gases, and noise, it shall notify the owner or operator thereof that the governing body is considering revoking or modifying the operator's license.
- B. If the governing body decides to require a modification of the manner in which the business or facility is to be maintained, it shall specify the standards or specifications to which the enterprise must conform or otherwise lose its license to engage thereafter in the business or activity.
