Sub for Santa

Cache County Sub for Santa is a non-profit organization committed to providing Christmas gifts for impoverished

children, ages 18 months to 18 years old, living in Cache County.

If you are in need this Christmas, please pick up an application at your local library, Department of Workforce Services, WIC, HEAT or BRAG offices or at the Cache Community Food Pantry.

If you would like to help some of our less fortunate children in the county, please call our office at (435)752-6315 and we will give you some ideas of how you can get involved.

Winter Parking Rules

Winter parking restrictions are in effect. No parking on the street or City right-of-way is permitted between 10 p.m. and 7 a.m. The city assumes no liability for damage to personal property that occurs when it is placed in the city right-of-way (i.e. from snow plows). Also, parents, please take time to instruct your children that playing on and behind the plowed snow berms can be dangerous and even fatal. The plow drivers have extremely limited vision when "pushing snow." Please remove empty garbage and recycle cans just as soon as possible on Fridays. If you are interested, the entire ordinance (Section 11-345, Title 11-000) can be read on your City website.

Contact Councilmember Paul Erickson if you have questions.

Licenses

All city licenses—business, dog, and kennel permits—expire December 31st. The 2015 renewals will be available by January 15th for you to pay the annual fee and pick them up at the city office.

Black & White Days

We need your help! We are looking for anyone interested in being on the Richmond Black and White Days Advertising Committee. Help make the 100th Black and White Days a success! If interested, please contact Amy West at 435-232-6689 or by email at ah_meel@yahoo.com.

Library News

"I am not addicted to reading – I can quit as soon as I finish one more chapter." —PCF

A Big Thanks to Adrienne Larson for the super library presentation in November on Simplifying Christmas. Such excellent information and a great presentation. Thanks for your time and great sharing ideas.

There will be no library lecture in December, just enjoy the holidays! Then put Thursday, **January 8th** on your calendar for **The State of the City Address** presented by the mayor and city council members at 7:00 p.m. at the City Building. This event is co-hosted by the Lion's Club and the Richmond Public Library.

Congratulations to our October **free book** winners: Jan Gilbert (adult), Claire Berger (teen), Jason Cardon (grade school), Lauren Campbell (child). And **Congratulations** to our

November **week of the 14th** winners: Abby Moore (Dollar Tree gift card), Tanner Moore & Tanner Jensen (Big-J shakes) and Oakley Eades (the guessing jar). The rest of our FHzookie winners in October were: Tanner Jensen, Pyper Gordon, Brinley Gathercoal, Wade Parrish, Ruth Little, Trinity McMullen, Jamye Hansen, Linda Kirby, Claire Berger, and Gracie Kidd. Congratulations to all our winners. Remember the **Read 100 Books** contest and bring in your sheet by Dec. 20th to receive a prize and be placed in a bigger drawing.

Our library celebrates National Library Week, National Children's Book Week, and National Teen Read Week each year, so this year we would like to end our 100 Year Celebration with a **Richmond Library Adult Appreciation Week** along with our December **week of the 14th**. So adults - do come in December 15th-20th for the drawings and give-a-ways that will be just for you. The library truly thanks you for your support and we would love to show you our appreciation.

Interlocal Agreements

Richmond City has signed two agreements with Cherry Peak Resort. The city will be selling surplus water to the resort. One meter will be for culinary water and fall into their transient water district. A Transient Water District has been formed by the resort to ensure that culinary water consumed outside of a municipal system meets all of the EPA/DDW (Division of Drinking Water) standards. Cherry Peak Resort is responsible for all of the sampling and assays required by the EPA/DDW. Neither the city nor residents will pay for this.

A second meter will be for the water used in snow making; this water will **NOT** be treated (chlorinated). All water will be billed at the same water rate that any business within Richmond City limits currently pays.

The second agreement is for wastewater. The resort's wastewater will be pretreated in their septic system, then come into our sewer system instead of going into the ground up-stream from our and other private wells. A meter has been installed to allow real-time monitoring, and sampling, etc. will be charged as flow rates are established. After 5 years, the standard industrial wastewater rate will be charged.

For more information on rates, etc. please visit the water and sewer webpages or read the agreements at the city office.

Council News

The city council has had a very productive fall. In the last couple of months, the LUDMO (Land Use Development and Management Ordinance) was adopted after three years of work. This ordinance provides the planning and zoning framework for the city and gives the Planning & Zoning Commission and the council a tool to provide less ambiguity in answering land use questions from the citizens and developers.

The entire document is available on the city website (www.richmond-utah.com/code) or you may read it at the city office.

At the November council meeting, the city's Water Conservation Plan was adopted. This is required by state law and is reviewed and updated regularly. Goals set forth in the old 2009 conservation plan were met but much can still be done by citizens, schools, businesses, and the city. Please remember to Slow the Flow not just in summer but year round.

The plan has been posted on the city website.
