Operation Give

The American Legion Auxiliary of Richmond is again teaming up with Operation Give to collect items to send to our troops for Christmas. We would like to thank Richmond City for allowing us to have a container at the city office where you can bring your donations. We want to show our appreciation to those who are serving our country. Along with items, we would like to send cards and letters, whatever you can give will be appreciated. This is something that can be done by individuals, families or groups.

In honor of Veterans Day we and the Lions Club will be having Billy and Jessica Nilson speak about his service and how it affected him and his family, on Thursday, November 5, at 7:30 p.m. in the city building. We invite everyone to come and hear their story. That is also a time you could bring anything you would like to have us send. Thank you for showing your support to the troops!

Congratulations!!

Harold Thomson of Richmond was presented The Thomas Jefferson Award for weather reading for the National Weather Service. This award was presented to him on Friday, September 11, 2015, before a group of friends and family at the Richmond Community Building and is given to an observer because of their dedication and accuracy.

To qualify for the award, an observer must have a track record of at least 25 years continuous observations. His grandfather, J.R. Thomson, began reading the weather for Richmond in 1911. In 1959, Harold's father, Verno, read it for about 9 years, and Harold has read it since 1968. It's been in the family for 104 years. Harold received an award in 2011 for having it in the family for 100 years.

"We really enjoy it. It's fun to do," he said. "When it was in the family, I just wanted to keep it going. My dad and granddad had done it so that's why I decided I wanted to keep it going. Without the help of our children and Tina and Craig Reese and a few other friends, we would not have been able to keep it going so we would like to thank all of those that have helped us keep this tradition in our family. It has been fun and very rewarding."

October 18-24 is National Teen Read Week so this is a call to all teens! This year's theme is **Get Away @ Your Library**. Come in and put your name in the drawings, check out the librarians' favorite teen books, add your "favorite read" to the bulletin display, and of course there will be a treat for any teen coming in the library every day of the week. Research shows that teens who read for fun have better test scores and are

more likely to succeed in the workforce, so the library is a great place to “get away” and find your next fun read. Come in and make this a great Teen Read Week celebration.

A Big Thanks to Sharik and Cheryl Peck for our September library lecture where they shared their amazing experiences in Ecuador and the Galapagos Islands and also the info about their recent trip to Hong Kong and the new health information that took them there.

October’s Library Lecture will be in conjunction with the Lion’s Club in presenting “Meet the Candidates”. This will be held at the city building on Thursday, October 8th at 7:30 p.m.
