From the City: Online Bill Pay

In response to numerous requests, Richmond City now offers online bill pay as an option for payment of city utility bills. You can make one-time payments or enroll in automatic payments. You can also pay via an automated phone system by calling (435) 258-9990. A \$1.00 convenience fee is applied to each transaction if you choose to use this system (whether online or phone).

One-time payments can be for any amount and you are able to choose which day the amount will be taken out.

Automatic payments may be set up but they will only be taken out on the due date (20th of each month), i.e., you cannot specify the date to have your account (card or e-check) charged. When you enroll in automatic payments, you must pay your account in full.

In addition, you can sign up for e-billing. If you choose to be notified via email, the paper billing will stop. If you choose to be notified via text, the paper bill will still be mailed to you.

You will need your utility account number to sign up. Go to [Online bill pay](#) to sign up or access the site through the city website (richmond-utah.com). You can still make payments at the city office during regular business hours or at the drop box. You can also call (435) 258-2092 to pay over the phone. No convenience fees are applied to payments done through the office or drop box.
